

In partnership with New Jersey Department of Transportation (NJDOT), North Jersey Transportation Planning Authority (NJTPA), Middlesex County, Keep Middlesex Moving, City of New Brunswick, Township of Piscataway, Borough of Highland Park and New Jersey Transit

Rutgers University is partnering with NJTPA & NJDOT to initiate a regional bicycle share program (Knight Cycle) that would be open to the public and serve the university community, New Brunswick, Piscataway, Highland Park and the Edison and New Brunswick Train Stations through the Regional Transportation Alternatives Program (RTAP). The University understands that gathering community input is essential to a successful program.

Public Information Center meetings will be held to inform the public of the bicycle share program and obtain feedback. The meeting will be in an **Open House** format and are open to the general public. All are welcome to attend. Project team members will be available to answer questions.
